PRODUCER INFO

well heres the story of my life,born and raises in south central phoenix az, not the best place to grow up,but i got byt.i first realized i wanted to do music when i was about 11 years old when i stole all my dads cd's haha all them were mostly west coast cds so i jus listened n listened and i finlay thought i want to make beats so i saved up money and bought me a 12 track record studio :) jus had the kicks n claps so i got tired of that and wanted to upgrade to keyboards and computer softwares so here i am making these beats :devil:
