PRODUCER INFO

I go by BROKEN KEYS and I've been in love and involved with music since 4th grade. I was born and raised in the city of New Orleans which has definitely had a major influence on my production and writing style. Listening to New Orleans Hip Hop, East Coast Hip Hop, Brass, Jazz, Mardi Gras Indians, and music abroad has shaped me into a every eclectic and versatile producer. I am capable of composing Hip Hop, R&B, Alternative, Soundtrack, Bounce, and Indian composition. With that being said, my niche and style is to combine every style of music that I know and am aware of into one composition to create music that is very unique, original, and different. For this fact, I don't compare my self to any Composer/Producer in the industry that stands out. I feel like I stand in a box all by my self as far as music goes. My goal is create music from the heart and soul and be a trend setter.
