PRODUCER INFO

Rock Boyz Entertainment Rock Boyz Entertainment is a group of music affiliates including rappers, a producer, a DJ, and a graphics designer/webmaster, all from Rock Hill, South Carolina. This group is also active in the Columbia area with members at the University of South Carolina. All members are pursuing careers in the fields they specialize in but work as a group to cover all aspects of production. Rock Boyz Entertainment started releasing music in 2005 with Producer [Trey Pound](#) and local rappers including Tray G, B White, and D-Money. The group began developing a fan base by releasing free music online and around their respective high schools, and eventually began performing in 2006. Today, the Rock Boyz consists of a few more rappers including [Jon Phenomenon](#), and [D. Skillz](#), and recently coming to include Graphics specialist, [Chuck Nice](#). [C. Nice](#)'s contribution is also evident in the professional sound quality. He continues to supply [Trey Pound](#) with the equipment he needs to create the crisp sound that has separated Rock Boyz Entertainment from other underground music groups.
